Assistant Commissioner  
for Patents  
Washington, D.C. 20231

Dear Sir:

**Declaration In Support of Amendment to Include  
Material Incorporated by Reference**

I, Gwilym John Owen Attwell, hereby declare as follows:

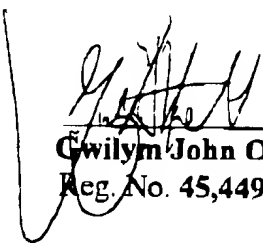

1. I am an attorney with the law firm of Woodcock Washburn Kurtz Mackiewicz & Norris LLP in Philadelphia Pennsylvania.
2. I am registered to practice before the U.S. Patent and Trademark Office under registration number 45,449.

DOCKET NO.: ISIS-2297

PATENT

3. I further declare that the amendatory material added to the above-identified application by way of the concurrently submitted amendment consists of the same material which was previously incorporated by reference. In particular, the added material was directly derived from Cossy *et al.* (Tetrahedron Lett., 1995, 36, 549).

4. I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the applications or any patent issued thereon.
